"On lifting the chest's cover,
Amid creeping sunlight rays,
We find in its deep recesses,
Mementos of high school days."

Dear Duster:
I've really enjoyed being at
O.C.H.S. the past 4 yrs & knowing
you even when you tried so hard
to teach me Geometry. I did
learn a little tho. I wish I
could've had a few more
classes under you & may the
best of everything be given
to the nicest teacher at
O.C.H.S. Love Duster

THOMAS GYMNASIUM

"THE INIMITABLE"

MR. MERRILL "DUSTER" THOMAS

First and foremost in our album of memories comes the dedication of Thomas Gymnasium to Coach Merrill "Duster" Thomas. This gymnasium, like "Duster" himself, is an emblem of achievement and holds many colorful memories. Looking back over the past five years, we see our astounding record of 58 consecutive victories before being defeated on our home floor, 48 of which were won in Thomas Gymnasium.

In a ceremony held at the half time of the Carbondale-Pinckneyville basketball game, December 9, 1956, the people of Pinckneyville paid a tribute to a great man for his many years of successful coaching and character building of the young people of our community.

OUR SCHOOL BOARD

Dear "Duster"

It has been wonderful having you as a teacher this year and last. I don't guess I'll have you for a teacher any more. I have learned a lot about chemistry because you can make a person study. Thanks for all the help and I wish you much success with the basketball teams at P.C.H.S. in the future.

Autographs

Dear Duster, Chemistry student
It sure has been Vernon Camper
nice having you for a teacher. Sorry about the way basketball season turned out this year, but hope you will bring home the bacon next year.

Dear Duster
I have enjoyed chemistry and being in your class again this year. You are one of the best teachers here in my opinion.
David

Lots of luck to a wonderful teacher,
your top!
Bill Brown

Dear "Doc"

I doubt if I will ever forget you and your coaching. You have helped me tremendously by merely letting me "stick around". It has been wonderful playing under you. If all the coaches were as good as you there would be no gymnasiums in which the seating capacity is under 3,000, even in Winkler. I would also like to thank you for the good word you put in for me down at Mississippi State. If you ever want to come down and visit just drop down and I a letter we will accommodate you. Set of back to you on everything a friend

P.S. (Take care of Tony)

Dear "Doc"

It has been great playing basketball under you, I know I have learned a lot about playing the game, I think next year will be the year that we can go all the way, Here's hoping your friend,

John Doffner

Dear "Doc"

It has really been a pleasure being in your class again this year. I have learned a lot and certainly appreciate all you have done for me. Here's hoping we take 1st at Champaign next year.

Suey Roe

Dear "Buster"

I enjoyed being "8:00 roll gal" in your "Trig." class this year. I'll always remember being in your Geometry class last year. I hope I can be in one of your classes next year too - like "Chem." You are my favorite teacher, because you make me work hard and I learn a lot more. I'll always remember you as a "strict" but kind coach. "Thir"

Dear Puster,

It has been a very marvelous 2 years with you as teacher. You have taught me as much about life as about mathematics.

Whenever I go to college and always after that I'll remember you and what you have taught me. your grading system too is amazing.

It makes a person keep on the ball, and that is what I need to do, for, as a teacher have done more for me
